FICS2026 | 3–5 December 2026

Department of Chemistry, IIT Guwahati

Step into a dynamic forum where ideas in Chemical Sciences spark collaboration and innovation. The International Conference on Frontiers in Chemical Sciences (FICS2026) continues its proud legacy of fostering meaningful scientific exchange since its inception in 2010.

Over three engaging days, leading scientists, emerging researchers, and industry experts will come together to share transformative discoveries, discuss evolving research trends, and shape the future of chemistry.

📄 Inspiring Plenary Addresses

👤 Distinguished Invited Lectures

🗨️ Contributed Oral Presentations

📄 Interactive Poster Sessions

FICS2026 promises an enriching environment for dialogue, networking, and new partnerships—at the forefront of chemical research and innovation.

Be part of the conversation. Be part of the future.
