### Jointly Organized by

Indian Institute of Technology Guwahati, India
The Society for Polymer Science, India
Tezpur University, India
& CSIR-NEIST, Jorhat, India

Conference Date: 10 December - 13 December 2023

#### **About SPSI-MACRO-2023**

SPSI-MACRO conference is the series of international conference that is held in India every two years and conducted by the Society for Polymer Science, India (SPSI, www.spsi.co.in). The 17th conference in this series (SPSI-MACRO-2023) will be hosted by Indian Institute of Technology Guwahati.

SPSI-MACRO-2023 will cover several thematic topics in the field of polymer science and technology, and will feature multiple plenary and invited talks, and numerous oral and poster presentations. The conference will host many young scientists, students, distinguished academic personalities, industry leaders and entrepreneurs from across the globe as speakers and participants. SPSI-MACRO-2023 will provide a platform for many young researchers and students in India and abroad to learn about the advancements in the field of polymer science and technology.

#### **Call for Abstracts**

Abstracts are invited for paper and poster presentations in SPSI-MACRO-2023. Those interested in participating and presenting their work in the conference are requested to create an account and upload their abstracts using the online submission portal (website link given below). Authors are requested to submit abstracts in the prescribed format available on the conference website. The thematic areas for abstract submission are listed in this document and on the conference website. However, research conducted in other areas related to polymers may also be considered.

- Advanced Polymer Synthesis
- Polymer Rheology and Processing
- Supramolecular Polymers
- Optoelectronic Polymers
- Polymer Nanostructures and Nanocomposites
- Polymer Modeling & Simulation
- Functional & Smart Biomaterials
- Alternate to Single use Plastics, Packaging etc.
- Polymers for Biomedical Applications
- Plastic Waste Management
- Biodegradable Polymers
- Polymer Degradation & Recycling
- Polymers in Energy Applications
- Sustainable Polymers

## Industrial participant Accompanying person

# Conference Committee Chief Patron

Director, IIT Guwahati

**Early Bird Registration Fee** 

Overseas academic participant

Overseas student participant

Indian academic participant

Indian student participant

#### **Patrons**

Anil Kumar President, SPSI

Shambhu Nath Singh Vice Chancellor, Tezpur University

G. Narahari Sastry

Director, CSIR-NEIST, Jorhat

#### **Conference Chair**

Vimal Katiyar

IIT Guwahati

#### **Conference Co-chairs**

Niranjan Karak

Tezpur University

A.K. Dasmahapatra
IIT Guwahati

Amit Kumar

IIT Guwahati

#### **SPSI Executive Committee**

S. Sivaram, Ex-President

E. Bhoje Gowd, Hon. Secretary

S. Ramakrishnan, Ex-President

Samir Chikkali, Treasurer

Phone: +91 361 258 3550, 2278, 2274

Mobile: +91 7896123664, 6003074725 E-mail: spsimacro2023@iitg.ac.in

### **Important Dates**

Last Date of Abstract Submission : August 31, 2023
Acceptance of Abstract : September 15, 2023

Early Bird Registration : September 30, 2023

For Registration & Detailed Information Please Visit

http://event.iitg.ac.in/macro2023

Participating Students can also attend the Job Fair
