

SPONSORSHIP BROCHURE

8th–10th December 2025 @ IIT Guwahati

We are delighted to announce the First Mehta Family Foundation (MFF) Collaborative for Academic Research Excellence (CARE) Conference on Data Science and Artificial Intelligence to be hosted by the Mehta Family School of Data Science and Artificial Intelligence, IIT Guwahati, on our scenic campus along the banks of the Brahmaputra River.

This conference is envisioned as a flagship event to bring together academia, industry, start-ups, and government to exchange ideas, showcase advances, and shape India's AI roadmap.

With a strong vision to foster innovation, collaboration, and future-ready talent in artificial intelligence, this premier conference will include

- Expert Talks on State-of-the-Art Generative AI and LLMs.
- Promotion of interdisciplinary and industrial collaboration.
- A platform for career opportunities for early-career researchers.
- Development of an AI Vision Document for India.
- Focused sessions on AI entrepreneurship and startups.

WHY SPONSOR US?

We cordially invite you to become a sponsor of this high-impact event and benefit from

- Brand visibility to top-tier national and international academic researchers, students, entrepreneurs, and AI professionals.
- Direct engagement with emerging talent and thought leaders in AI.
- Opportunities to showcase your organization's products, services, and initiatives.
- Demonstrating your commitment to advancing India's AI ecosystem.

Participating Institutes:

There will be international speakers from universities such as MIT, Purdue University, UC San Diego, Penn State, and the University of Texas at Dallas. Nationally, researchers and scientists from the IITs, NITs, IISERs, and other top universities will participate in the event.
