Sponsorship for NCMDAO 2023 Conference

The 6th edition of the National Conference on Multidisciplinary Design, Analysis and Optimization (NCMDAO 2023) is going to be organized at Indian Institute of Technology Guwahati, India during December 6 - 8, 2023. The conference is jointly organized by IIT Guwahati and Design division of the Aeronautical Society of India (AeSI). The conference provides a unique platform to bring together the researchers and industry professionals working in the field of Multidisciplinary Design, Analysis and Optimization (MDAO) and share the expertise in the form of contributed paper presentations, interactive poster sessions, keynotes and invited talks, panel discussions, and a master class on contemporary topics.

The conference is tailored to provide an interactive and dynamic atmosphere for industry professionals and leading researchers in MDAO to interact and share their experience leading to future collaborations.

NCMDAO 2023 is looking for sponsors and the details of sponsorships are as follows.
