## ABOUT RESEARCH CONCLAVE

Research Conclave is a staunch platform to nurture the young minds towards research, innovation and entrepreneurship, which intends to bring the integrity of the students towards both industries and academia to redress the academic research challenges, concerns of the entire student community and upcoming entrepreneurs of North-East India. It is a forum to harness innovative mind to level-up the economic strata of current society from research to industries. The Research Conclave work as catalyst for building leaders through holistic, transformative and innovative ideas. It has started in 2015 with great rhythm and passion, and this year with the same enthusiasm we are conducting this event in a broader spectrum.

## AIM OF THE CONCLAVE

- Showcase of on-going research activities at IIT Guwahati as well as other research institutes nearby through poster
- Model exhibition and demonstration by research groups from IIT Guwahati and other institutes from North-East region
- Industry-academia interactions with industrial delegates highlighting their technological requirements, expectations from research institutes
- Interactive sessions with entrepreneurs from the North-East region to identify the avenues through which IIT Guwahati can contribute to local firms, businesses and other intermediaries through innovation and research
- Giving prestigious platform to start-ups for exhibiting their products and ideas to industries and academia
- Technological implementation towards sustainable development
