

CV

Prof. Grzegorz Litak

Head of Automation Department,

Lublin University of Technology, 20-618 Lublin, Poland

Email: g.litak@pollub.pl, <https://g-litak.pollub.pl/>

Phone: +48 695132143

Prof. Grzegorz Litak completed his M.Sc. degree in physics at Skłodowska (UMCS) in Lublin, in 1988.

Later, working on the effect of disorder on correlated and exotic superconductors, he received his

Ph.D (1994) and D.Sc (2002) degrees from the same University. After defending his Ph.D thesis he

moved to Lublin where he is presently working as a full professor. From 1994 he also started his

research on nonlinear dynamics. He focused on bifurcation theory, chaotic dynamics and nonlinear time series analysis.

Recently, he was also involved in research on mechanical and thermal energy harvesting, focusing on frequency broadband

effects. G. Litak published about 400 papers including about 330 in the international journals.

Employment and positions

| | |
|-----------|--|
| 1994-2016 | Lublin University of Technology, Department of Applied Mechanics and Institute of Information Technology, Assistant Professor (till 2004) - Associate Professor (till 2014) - Full Professor (till 2016) |
| 2015-2017 | Institut National des Sciences Appliquées de Lyon, France, Laboratoire de Génie Electrique et Ferroélectricité, Visiting Professor |
| 2016-2018 | AGH University of Science and Technology in Kraków, Poland, Department of Process Control, Professor (1/4 position) |
| 2016-now | Lublin University of Technology, Department of Automation, Head of Department, Full Professor |
